[redacted]

Yesterday I had the pleasure of meeting [redacted] Brian, during my visit to the People's Temple Agricultural Community at Jonestown.

I gave Brian a letter that you had relayed through Congressman Mc Closkey and Brian opened and read it in my presence.

He has asked me to send you his assurance that he is well and happy. He told me that he wanted to remain at Jonestown and that he would keep in touch with you.

If I can be of any further assistance, to you, please do not hesitate to write again.

Sincerely,

Douglas V. Ellice, Jr.
American Consul
